

Where Will Southwest Schools Take YOU?

Build your career at Southwest Schools and be a part of something great!

Your passion can change young lives.

INNOVATE

Southwest Schools believes in innovation as a fundamental approach to education. We allow our educators, administrators and staff the freedom to be innovative and contribute their skills and talents in a positive and nurturing environment.

INSPIRE

Innovation is the foundation by which students are inspired. Learners who are inspired not only grow, they thrive. From our 2,000+ students to our diverse staff, we have a culture that encourages learning at all levels.

TRANSFORM

Inspiration leads to transformation - paving the way for success and achievement for each individual learner.

Where Will Southwest Schools Take YOU?

WHO WE ARE

Southwest Schools is a premier open-enrollment charter school district of choice that meets the diverse needs of students Pre-K through 12th grade by creating an inclusive community that fosters a strong sense of self-worth. We understand that true learning is not based on standardized testing or college entrance, but on offering a fulfilling educational experience that can be differentiated to meet the needs of all students. We recognize that a successful education is one where boundaries are overcome, opportunities are experienced and possibilities are realized. Our mission is to prepare college and career-ready students for life-long success.

WHY YOU'LL LIKE US

Southwest Schools provides a comprehensive benefits package with competitive pay and affordable insurance. Our culture is one that encourages innovation, provides opportunities for career growth and allows our staff to make a positive impact on the lives of our students and our community.
